Topic:

Bring up contract bills

Instructions:

See Attached Draft an assembly resolution requesting the secretary of the department of employment relations to submit immediately the bill drafts ratifying the contracts to the assembly chief clerk. Direct the assembly chief clerk to immediately upon their receipt to introduce them with all representatives to the assembly voting to adopt this resolution listed as authors and direct that the bills be placed on the calendar for February 20, 2003 (notwithstanding a number of assembly rules in the rule pamphlet and maybe a few statutes that establish legislative proceedings in the statutes).

It would be a privileged resolution under Assembly Rule 43, which requires it to be accepted as offered on any order of business but which permits its referral to committee by the presiding officer. To withdraw it from committee next week would require two-thirds as provided in Assembly Rule 15.
